Pending grievance redressal in a structured mechanism are effective management tools for superior policy outcomes and systems / processes.

We did not get any reply to confirm representation of RSCWS from Railway Administration till now. It is a GENTLE reminder to consider RSCWS representation in both the committees. We ensure to find out solutions for system improvement from our experience of present delivery system of railway healthcare services and difficulties faced by the beneficiaries specially Sr. Citizens settled at their native place away from Railway Hospital Facilities.

Sincerely yours,

SAT PAL SINGH
Secretary General
