

DIRECT SUCCESSOR TO "PENSIONER" ESTABLISHED IN 1955

FROM THE DESK OF SECY. GENERAL

(We will never reach destination if we stop to throw stone on every dog that barks)

Friends,

For some time, one of the sister organizations has been indulging in spewing venom against BPS. Perhaps those at the helm of affairs in that organization have lot of time and are feeling insecure.

Friends, We will never reach destination if we stop to throw stone on every dog that barks!

So, without indulging in blame game, let us move ahead undeterred. Next decade is going to be of struggle not only for pensioners but for the entire community of Sr Citizens and organizations will have to determine whether co-operation is a better model or conflict is?

We have already chosen the model of co-operation and have reached an understanding with NFRP Palghat, AIFPA Chennai, AISCCON & Sr. Citizens Council Delhi to struggle jointly & severally for the common issues viz:

1. Financial security (i.e. In case of Pensioners, Retirement benefits inclusive of statutory Pension and security of pension & savings against inflation & market risks.

2. Health care, i.e., cashless hassle free & within easy reach medical care with adequate Fixed Medical allowance in lieu of OPD facility.

3. Social security & Travel facilities for elderly (to save elderly from isolation & abuse).

4. Physical security against abuse & crimes

MODIFIED PARITY -GOVT APPEAL DISMISSED : CAT ORDER DT 01.011.2011 UPHELD IN THE HIGH COURT OF DELHI AT NEW DELHI

CORAM:

HON'BLE MR. JUSTICE PRADEEP NANDRAJOG

HON'BLE MR. JUSTICE V. KAMESWAR RAO

1. We note that on January 28, 2013 the petitioners have issued an office order dated January 28, 2013 which reads as under:-

[Not Reproduced - See 02/2013 Issue -Editor...., BHARAT PENSIONER]

2. The only issue therefore which survives is, with respect to paragraph 9, of the office memorandum aforenoted which makes it applicable with effect from September 24, 2012, and thereby denying arrears to be paid to the pensioners with effect from January 01, 2006.

 In short, the Government of India has tacitly admitted that it was in the wrong and that the Tribunal is correct.

4. As is well known, the recommendations of the 6th Pay Commission did away with the hitherto fore applicable pay scales; replacing the same with pay bands having grade pay. For example, pay band I (PB-I) was '5200-20200 and embraced 12 previous pay scales between '2750-4400 and '8000-13500, but with 12 grade pays between '1800-5400.

5. How would the existing pensioners get pension was decided by the Government as per a resolution dated August 29, 2008 which accepted para 5.1.47 of the recommendations of the 6th Pay Commission to the following effect:-

"All past pensioners should be allowed fitment benefit equal to 40% of the pension excluding the effect of merger of 50% dearness allowance/ dearness relief as pension (in respect of **MODIFIED PARITY**

pensioners retiring on or after 1/4/2004) and dearness pension (for other pensioners) respectively. The increase will be allowed by subsuming the effect of conversion of 50% of dearness relief/dearness allowance as dearness pension/dearness pay. Consequently, dearness relief at the rate of 74% on pension (excluding the effect of merger) has been taken for the purposes of computing revised pension as on 1/ 1/2006. This is consistent with the fitment benefit being allowed in case of the existing employees. The fixation of pension will be subject to the provision that the revised pension, in no case, shall be lower than fifty percent of the sum of the minimum of the pay in the pay band and the grade pay thereon corresponding to the pre-revised pay scale from which the pensioner had retired."

6. The respondents had made many submissions in their favour; two of which pertained to the law declared by the Supreme Court in the decision reported as 1990 (4) SCC 270 *D.S.Nakara Vs. UOI* and (2008) 9 SCC 125 *UOI Vs. S.P.S. Vains.* The Tribunal has negated said pleas. However, reasoning of the respondents on other plea pertaining to resolution No.12 aforesaid has found favour with the Tribunal.

7. We find that a Division Bench of the Punjab & Haryana High Court deciding W.P.(C) No.19641/2009 *R.K.Aggarwal & Ors. Vs. State of Haryana & Ors.* has referred to the decision impugned by the Tribunal, with reference to an identical question which arose in the State of Haryana because Government of Haryana had adopted the same policy decision of the Central Government. In the decision dated December 21, 2012, in paragraphs 21 to 26, the Division Bench of the Punjab & Haryana High Court has reasoned as under:-

"21. On the recommendations made by VI CPC, which stood validly accepted by the Cabinet, it was argued before the Tribunal that principle for determining the pension has been completely altered under the garb of clarification.

MODIFIED PARITY

It was argued that on the basis of the aforesaid resolution/modified parity revised pension of the pre-2006 pensioners shall not be less than 50% of the minimum of the pay band + grade pay, corresponding to the pre-revised pay scale from which the pensioner had retired.

22. The Tribunal has accepted this contention and because of this reason, it is held that subsequent OMs dated 03.10.2008 and 14.10.2008 purportedly issued to clarify para 4.2 of OM dated 01.09.2008 were contrary to the plain meaning of the said para and whereby the criteria and principle for determination of the pension had been completely changed that too when these two subsequent OMs dated 03.10.2008 and 14.10.2008 were issued by the lower authorities having no power to issue such clarification.

23. After considering the arguments of learned counsels for all the parties, we are of the opinion that it is not even necessary to go into the various nuances and nitty grittys, which are insisted by learned counsels for the petitioners based on D.S. Nakara line of cases and N. Subbarayudu and others and S.R. Dhingra and others (supra), wherein ratio of D.S. Nakara is explained. We proceed on the basis that fixation of cut off date by the government was in order and to this extent we agree with the reasoning given by the Tribunal where similar arguments, as advanced by the petitioners before us, were rejected. The issue can be resolved on the interpretation of OM dated 29.08.2008 itself. It is not in dispute that vide resolution dated 29.08.2008, recommendations

May 2013

of the 6th Central Pay Commission were accepted by the government and the pension was also to be fixed on the basis of formula contained therein. We have already reproduced the recommendations of the 6th Central Pay Commission, as contained in para 5.1.47, which was accepted by the government vide Item No. 12 of resolution dated 29.08.2008 with certain modifications. Based on this resolution, OM dated 01.09.2008 was issued. We have also reproduced para 4.2 thereof. This states in unequivocal terms that "revised pension in no case shall be lower than 50% of the minimum of pay in the pay band plus grade pay corresponding to the pre-revised pay scale-". The clear purport and meaning of the aforesaid provision is that those who retired before 01.01.2006 as well were ensured that their revised pension after enforcing recommendations of the 6th Central Pay Commission, shall not be less than 50% of the minimum of the pay band plus grade pay corresponding to the pre-revised pay scale from which the pensioners had retired. However, notwithstanding the same and without any provocation, the junior functionaries in the Department of Pension nurtured a doubt "though there was none" and note was prepared on that basis, which led to issuance of OMs dated 03.10.2008 and 14.10.2008. The effect of these two OMs was to make revision in the pension of pre-2006 retirees by giving them less than 50% of the sum of minimum of the pay in the pay band. To demonstrate this, Mr. H.L. Tikku, learned senior counsel appearing in some of these cases drew our attention to the following chart:-

Min of Pre- revised scale	Pay in the Pay Band	Grade Pay	Revised Basic Pa (2+3) ()	y Pension 50% of (2+3) (`)
1	2	3	4	5
S-24 (14300)	37400	8700	46100	23050
S-25 (15100)	39690	8700	48390	24195
S-26 (16400)	39690	8900	48590	24295
S-27 (16400)	39690	8900	48590	24295
S-28 (14300)	37400	10000	47400	23700
S-29 (18400)	44700	10000	54700	27350
6			B	HARAT PENSIONER

The first 4 columns of the above table have been extracted from the pay fixation annexed with MOF OM of 30th August, 2008 (referred to in para 4.5 (iii) above). Revised pension of S 29 works out to `27,350 which has been reduced to `23,700 as per DOP OM of 03.10.2008 (para 4.8 (B) below).

24. As per the impugned OM dated 14.10.2008 in the case of S-24 officers the corresponding pay in the Pay Band against 14,300/- is shown as 37,400/-. In addition, Grade Pay of `8700/- was given totaling `46,100/-. Similarly, revisions concerning all the other pay scales were accepted by the aforementioned OM dated 14th October, 2008. The illegality which has been perpetrated in the present matter is apparent from the fact that whereas an officer who was in the pre-revised scale S-24 and receiving a pay of `14,300/- would now receive `37,400/- plus grade pay of `8700/and his full pension would accordingly be fixed at `23,050/- (i.e. 50% of 37,400/- pay plus grade pay `8700/-) pursuant to the implementation of VI CPC recommendations after 01.01.2006, whereas a person retiring before 01.01.2006, who was drawing a pay of `18,400/- or even `22,400/-(maximum of scale) in the pre-revised S-29 scale will now be getting pension as only 23,700/- (i.e. 50% of pay of `37,400/- plus grade pay of `10,000/ -). 25. This has arisen because of resolution dated 29.08.2008 and has resulted because of deletion of certain words in para 4.2 of the OM dated 01.09.2008 or 03.10.2008. This aspect is beautifully demonstrated by the Tribunal in its Full Bench judgement in the following manner with which we are entirely agree:

MODIFIED PARITY

"25. In order to decide the matter in controversy, at this stage, it will be useful to extract the relevant portions of para 5.1.47 of the VI CPC recommendation, as accepted by the Resolution dated 29.08.2008, para 4.2 of the OM dated 1.9.2008 and subsequent changes made in the garb of clarification dated 3.10.2008, which thus read:

P&PW (A) dated	Para 4.2 of OM DOP&PW OM No.38/37/8-P&PW (A) dated 1.09.2008 (page 38 of OA)	OM DOP & PW OM No.38/37/8-P&PW (A) dated 3.10.2008
above will be subject to the provision 'that the revised pension, in no case, shall be lower than 50% of the sum of the minimum of the pay in the pay band and the	subject to the provision 'that the revised pension, in no case, shall be lower than 50% of the(sum of the) minimum of the pay in the pay band plus (and) the grade pay (thereon) corresponding to the prerevised pay scale from which the pensioner had retired.	The Pension Calculated at 50% of the [sum of the] minimum of the pay in the pay band [and the grade pay thereon corresponding to the pre-revised pay scale] plus grade pay would be calculated (i) at the minimum of the pay in the pay band (irrespective of the pre-revised scale of pay plus) the grade pay corresponding to the prerevised pay scale. For example, if a pensioner had retired in the pre- revised scale of pay of 18400-22400, the corresponding pay band being '37400- 67000 and the corresponding grade pay being '10000 p.m., his minimum guaranteed pension would be 50% of '37400+'10000 (i.e. '23700)
	Strike out are deletions and bold letter addition	Strike out are deletions and bold letters addition.

MODIFIED PARITY

As can be seen from the relevant portion of the resolution dated 29.8.2008 based upon the recommendations made by the VI CPC in paragraph 5.1.47, it is clear that the revised pension of the pre-2006 retirees should not be less than 50% of the sum of the minimum of the pay in the Pay Band and the grade pay thereon corresponding to the pre-revised pay scale held by the pensioner at the time of retirement. However, as per the OM dated 3.10.2008 revised pension at 50% of the sum of the minimum of the pay in the pay band and the grade pay thereon, corresponding to pre-revised scale from which the pensioner had retired has been given a go-by by deleting the words 'sum of the' 'and grade pay thereon corresponding to the pre-revised pay scale' and adding 'irrespective of the pre-revised scale of pay plus' implying that the revised pension is to be fixed at 50% of the minimum of the pay, which has substantially changed the modified parity/formula adopted by the Central Government pursuant to the recommendations made by the VI CPC and has thus caused great prejudice to the applicants. According to us, such a course was not available to the functionary of the Government in the garb of clarification thereby altering the recommendations given by the VI CPC, as accepted by the Central Government. According to us, deletion of the words 'sum of the' 'and grade

pay thereon corresponding to the pre-revised scale' 'and addition of the words 'irrespective of the prerevised scale of pay plus', as introduced by the respondents in the garb of clarification vide OM dated 3.10.2008 amounts to carrying out amendment to the resolution dated 29.08.2008 based upon para 4.1.47 of the recommendations of the VI CPC as also the OM dated 1.9.2008 issued by the Central Government pursuant to the aforesaid resolution, which has been accepted by the Cabinet. Thus, such a course was not permissible for the functionary of the Government in the garb of clarification, that too, at their own level without referring the matter to the Cabinet." 26. It is for the aforesaid reasons, we remark that there is May 2013

no need to go into the legal nuances. Simple solution is to give effect to the resolution dated 29.08.2008 whereby recommendations of the 6 th Central Pay Commission were accepted with certain modifications. We find force in the submission of learned counsel for the petitioners that subsequent OMs dated 03.10.2008 and 14.10.2008 were not in consonance with that resolution. Once we find that this resolution ensures that "the fixation of pension will be subject to the provision that the revised pension, in no case, shall be lower than 50% of the sum of the minimum of the pay in the pay band and the grade pay thereon corresponding to the prerevised pay scale from which the pensioner had retired", this would clearly mean that the pay of the retiree i.e. who retired before 01.01.2006 is to be brought corresponding to the revised pay scale as per 6th Central Pay Commission and then it has to be ensured that pension fixed is such that it is not lower than 50% of the minimum of the pay in the band and the grade pay thereon. As a result, all these petitions succeed and mandamus is issued to the respondents to refix the pension of the petitioners accordingly within a period of two months and pay the arrears of pension within two months. In case, the arrears are not paid within a period of two months, it will also carry interest @ 9% w.e.f. 01.03.2013. There shall, however, be no order as to cost."

8. We are in complete agreement with the reasoning of the Division Bench of the Punjab & Haryana High Court and adopt the same and do not burden ourselves any further. We conclude by noting that as regards the substance of the view taken by the Tribunal, even the Central Government accepts its correctness, but insists to make the same applicable prospectively.

9. The writ petitions are dismissed. The decision of the Full Bench of the Tribunal is upheld but without any order as to costs.

Secy Genl BPS S.C.Maheshwari's visit to Chandigarh

On 27.4.2013 S.C. Maheshwari Secy. Genl. BPS visited Chandigarh to participate in AGM of RSCWS an affiliate of BPS. While welcoming Maheshwari, N.P. Mohan President RSCWS presented to him a file containing information regarding FMA collected through RTI Act along with a synopsis based on this information and requested that BPS may consider filling a legal suit for raising FMA.

Speaking at the occasion Maheshwari explained to the large audience that there are two main categories of grievances of Pensioners; No1. With reference to, correct & timely implementation of existing Govt. policies Rules/ regulations & procedures and No2. Regarding Improvement/ amendments of existing policies/ Rules& regulations etc.

Speaking on category 1 i.e. Grievances relating to implementation of existing policies, Rules & regulation, he informed the audience that after prolonged efforts. On line & offline systems to redress grievances of Pensioners/Family Pensioners is now in place, nodal officers at all levels have been nominated, time line & the procedure has been laid down. Even Citizen Charter for M/O P, PG & Pensions-DOPPW is in place. A step towards personal hearing of grievances by concerned officers on nominated days of the week has been taken. DOP & PW has already dedicated Wednesday 3-4 PM for this purpose. In Rlys too C.Rly Nagpur Division has started a Desk named 'Astha' under direct monitoring of DRM & SRDPO which attends to Pensioners/family pensioners grievances in time bound manner. Now we have to stress & ensure speedy & proper implementation of this system which involves spreading awareness and correct interpretation of Rules & regulations so that the system may not collapse due to flooding with unwarranted & misconceived issues.

Coming to category 2. of pensioners/family pensioners i.e. grievances like : removal of disparity between post & pre 2006 & within pre

BHARAT PENSIONER

2006 retirees, applicability of new benefits to pre-2006 retirees, merger of 50% DR as DP, raising FMA to Rs 1200, restoration of commuted value of Pension in 12 years, Old age additional pension starting from 65 yrs, Companion on PR Rly Passes in the same class w/o payment of any Charges, issues related to RELHS etc. Secv. Genl. informed the gathering that though on paper several issues related to RELHS are resolved but implementation on ground is awaited. With reference to other issues he expressed the view that some basic change in the approach, and working attitude of Pensioners organizations was needed and went on to state. "pensioners today are passing through a very difficult time ever rising cost of living & health care has rendered pension to be grossly inadequate. Most of us now find it difficult to manage the bare minimum basic needs of day to life in their meager pension. But Govt is not prepared to consider our just demands and does not bother to redress our grievances adequately. The next decade will be one of struggle, not only for Pensioners but for the entire community of Sr citizen & organizations will have to determine whether Co-operation is a better model or conflict is?"

Referring to FMA he informed the audience that BPS is seized of the issue right from 2005 & had been demanding Rs 1200 as FMA W/o distance restriction and with linkage to inflation, he further told the house that the M/O Health & family welfare in one of their replies to BPS has committed that they had no objection if FMA is raised to Rs 1200/- & that BPS representation is now pending with the Minister for finance Commenting on RSCWS request for filling legal suit for raising FMA; Maheshwari told the audience that legal recourse is the last alternative, as it not only involves huge expenditure but lot of strain & stress on litigants. He informed the audience that presently BPS is seized of the issue of equal percentage rise in pension of all pre 2006 Pensioners & that legal consultations were on. He, however, assured that

58TH AGM

after studying the information provided by RSCWS and obtaining legal advise, issue will be put up to BPS Managing committee for suitable decision. Maheshwari, emphasized, that to get desired results legal battle alone is not sufficient, it is to be supplemented by field struggle too which involves discussions with concerned officers to create favorable opinion as well as show of strength in field to earn political favor Concluding his address S.C.Maheshwari said that do not consider yourself to be weak & devoid of strength. We may have bodily become weak but as Sr. Citizens we have great strength as almost 14% of Indian electoral, which in elections get translated to 20% actual vote share. Pensioners as one of the intelligent & experienced section of Sr citizen community, have to take up- on themselves the task to establish the voice of reason & justice, to protect our wellbeing and to an honorable existence as senior Citizens in free India.

He said, "Let's then mobilize ourselves in a big way, convincing the public opinion that we are not a burden & that we are not asking for largesse but our own money & rights established by none else than the apex court of country. Let the Govt. & the political parties realize that we too have a vote Bank & that they will not be able to neglect us for long". Jai hind

Spice it up with turmeric

Turmeric, the spice that gives Indian cuisine its characteristic yellow colour, prevents rheumatoid arthritis and osteoporosis that leads to bone loss. The spice, which has been used as an antiseptic in Indian traditional medicine for centuries, has been shown to protect the liver, inhibit cancerous tumours, and fight infections because of its antioxidant and antiinflammatory properties that make it effective against inflammatory disorders such as asthma, multiple sclerosis and inflammatory bowel disease. It works by fighting inflammation, which accelerates rheumatoid arthritis and spur cancerous growths. Consuming curcumin also has been shown to repair skin damage caused by radiation therapy for cancer.

Treatment from CGHS Empanelled Hospitals

The below information was given by the Minister of Health and Family Welfare Shri.Ghulam Nabi Azad in Parliament on 15.03.13.

"The private hospitals under CGHS are primarily empanelled for providing inpatient medical treatment to a CGHS beneficiary. However, CGHS allows follow-up treatment from these hospitals in Post-Operative cases in six major categories namely, Cardio-Vascular Disease, Renal Disease, Neurological Disease, Joint Replacement, Accident cases and Cancer Disease. Accordingly, the medicines prescribed by the treating specialists of the private empanelled hospital are issued directly from the dispensary. In other post operative cases, medicines are issued upto one month to a patient as per the advice on discharge.

In addition, there is also a provision for issue of Chemotherapy drugs to patients undergoing treatment at empanelled hospitals. The above system is working properly".

FAQs on Implementation of OROP vide Govt. Order dated 17.01.2013

Q: 1 Are these orders applicable to those pensioners also whose date of commencement of pension is exactly 01.01.2006 ?

A: Yes, these orders are applicable to all the pensioners/family pensioners whose date of commencement of pension is on or before 01.01.2006.

Q: 2 The date of commencement of family pension in respect of a family pensioner is 01.04.2006 whose late husband had retired from the service on 31.08.1999. Will the family pension of the family be revised under these orders?

A: Yes, the family pension will be revised under these orders because the deceased soldier was a pre-2006 retiree.

Q: 3 It is being contended by some pensioners/their associations that the arrears on account of this revision should be paid w.e.f. 01.01.2006 as the orders are merely an amendment to GOI, MoD letter dated 11.11.2008. Please clarify?

A: As the provision of these orders are effective from 24the September 2012. Hence no arrears shall be allowed for the past period.

Q:4 Will the additional pension also be revised accordingly ?

A: The improved pension will be the basic pension from 24.09.2012 and hence additional pension payable will also be revised accordingly by the PDA.

Q:5 The basic pension of a pre-2006 pensioner (Rank - Havildar, Group 'D') of Army having total qualifying service of 15 years is slated to be increased from 3500/- p.m. to 5301/- P.M. Is such a high increase in Basic Pension in order?

A: The increase in BP from 3500/- to 5301/-P.M for the pensioner with particulars as mentioned above is in order. It is evident from the existing basic pension of 3500/-PM and the

OROP FAQ

particulars given above that the PDA has not revised pension of the individual correctly w.e.f. 01.07.2009. The correct entitlement of the individual is as under:

Basic Pension w.e.f. :

Date	Amount (Rs.)PM	Circular No.
01.01.2006	3500/-	397
01.07.2009	4635/-	430
24.09.2012	5301/-	501

Q:6 In most of the cases neither the pensioner has applied to the PDA for revision of their pension nor any Corr PPO or instructions have been received by the PDA from the PSA. Please supply the proforma of application in this regard?

A: It has been clearly mentioned in the orders that the revision of pension by PDAs has to be made with reference to Pension Tables annexed to the orders. No further authorization from the PSA or any application from the affected pensioner is required to carry out the revision.

Q:7 The tables annexed to circular No 501 & Circular No. 502 start from QS of 15 years onwards. How to revise the pension of a pensioner having less than 15 years of qualifying years?

However as per table – 4 (Army) annexued to Cir No 501, his basic pension w.e.f. 24.9.12 should be 7601/ - PM. Please advise how to regulate such cases. A: The existing pension of the pensioner in such cases might have been revised by PCDA (P) by issuing Corr PPO (s) based on some courts orders etc. No action by PDA is required in such cases.

Q:9 Mr 'X' is a DSC pensioner in receipt of two pensions, one for regular Army service, and another for DSC service. Are both these pensions to be revised by PDAs?

A: The pension for regular Army service will only be revised under these orders by the PDA. A reference for revision of pension for DSC service will be sent to PCDA (P).

Q:10 The tables annexed to Circular No 501, in respect of DSC pensioner seem to be incomplete e.g. the table in respect of Sep of DSC are only up to QS of 23 years. How to revise pension of a sep of DSC who has total QS of 24 years or above?

A: Sepoy in DSC have maximum engagement period up to 20 years only with the exception that the maximum term of engagement can be up to 23 years in case of pensioner retired on or 30.5.98. RENEWAL

The anecdotal lesson

Neela Sood

Some time ago, I visited my octogenarian aunt who stays in a crowded area of Varanasi. As I was looking at the busy road from her house, my eyes were drawn to a funeral procession.

Since such processions are no more a usual sight in our new cities, I was engrossed in it. But, what I saw in the next half-an-hour could leave any stranger terrified. Seven funeral processions passed on that road one after the other. Aghast, I turned to my aunt and exclaimed, "Isn't the death rate terribly high in Varanasi?". She broke into peals of laughter and said, "My child, not all the funeral processions are from Varanasi city alone, This road goes to a cremation ground which has a special significance for all Hindus in the vicinity of 100 km and this explains the unusually high number of funeral processions" "But, doesn't this spectre bring in you some sinking feeling. Believe me I am feeling as if I can be one of these." I said ruefully.

"You are correct. Me, you and everybody else will be one of these. If we remain enlightened to this truth, we will be saved from committing many bad deeds."

Continuing, she narrated an anecdote of Lord Buddha. When approached by a woman about the bad habits of her son, the Buddha told the woman it was no use giving any advice as the boy had only a week more left to live. After a week, the Buddha visited them and enquired about the boy's behaviour.

The woman said, "How you expect any person to do bad acts when he knows that his death is very near." The Buddha laughed and said, "Who am I to predict anybody's death? I just wanted to emphasise that if we all keep in mind that we have to leave this world one day empty handed, we will be saved from committing many sins."

The Editor Mail Today, New Delhi Dear Sir.

Subject :"Pensioners set to pay dirt after Delhi HC order" (Mail Today 06.05.2013 Page 9)

It is rather unfortunate that an Incorrect interpretation of Delhi High court judgment in writ petition No. 1535 of 2012 (decided on 29.4.2013) has been reported by Mail Today dated 06.05.2013 (page 9) under the heading "Pensioners set to pay dirt after Delhi HC order"

Unknowing the fact that the entire judgment is about 'what should be the minimum pension/ family pension for each corresponding pre 2006 scale' after implementation of 6th CPC your esteemed News Paper has written that pension of CG & State Govt; pensioners will almost double. This is totally incorrect, my dear editor ! 'Bharat Pensioners Samaj' resents this incorrect projection.

Except the lucky those (Director & above level) who have been placed in Pay Band 4, in all other scales below that, it will marginally raise the Pension/Family pension of only 5 to 7% of pensioners / family pensioners. In fact 6th CPC too after merging Dearness relief as on 31.12 2005 added only 40% to the existing pension of this unfortunate section of Pensioners i.e. PB1 to PB3.

Your reporting has only deepened the wounds of this neglected section of C.G./State Govt. Pensioners & family pensioners.

S.C.Maheshwari, Genl . Secy. BPS

## Office Memorandum

### Subject: - Simplification of Pension Procedure- Amendment in para 15 and para 16 of "Scheme for payment of pensions to Central Govt Civil Pensioners by Authorised Bank".

Attention is invited to the provisions contained in paras 15 and 16 of the Scheme Booklet regarding submission of life & other certificates and inter bank /intra bank transfer of pension Account.

2. Keeping in view the need to make the process of submission of certificates user friendly and in line with the technological advancement in the banking industry, it has been decided to allow pensioner/ family pensioner to submit the life certificate as well as other certificates to any branch of the Bank through which his /her pension/family pension is being disbursed.

3. Further with the introduction of CBS and implementation of CPPC, the pensioner/family pensioner who is desirous of transferring his/her pension account from one branch to another branch (whether local or out station) of the same bank should has the option of putting *in* his/her request at either of the two branches instead of the present dispensation wherein transfer request is entertained only at the home branch. The transfer application will require mentioning both account numbers (in the old & new branch) with both branch contact details. The branch receiving the application will scan and register the same to CPPC. CPPC will coordinate the continuity of disbursement of monthly pension/family pension without any break,
