

Cancer Awareness Camp at Fortis Mohali - February 2014
Fortis Hospital Mohali, is launching a Cancer Awareness camp for women
from February 4 to February 28, 2014

As part of the same, breast and cervical cancer screening will be done.

CERVICAL & BREAST CANCER
KNOWING THEY EXIST IS NOT ENOUGH

Cervical & breast cancers are the most commonly diagnosed cancers in women. Checking for cancer (or for conditions that may lead to cancer) in people who have no symptoms is called screening. Screening can help doctors find and treat some types of cancer early. Generally, cancer treatment is more effective when the disease is found early.

**FREE* CANCER
SCREENING FOR
WOMEN**

Screening includes:

- PAP Smear
- Mammography
- Consultation from Gynaecologist

REGISTRATION FEE: Rs. 250/- only

OFFER VALID FROM FEBRUARY 4th to 28th, 2014

For further information, call: 082838 39571
