

RAILWAY SENIOR CITIZENS PRESENT STRETCHERS TO RAILWAY STATION & AIR COOLERS TO PRIMARY SCHOOL

Railway Senior Citizens Welfare Society (RSCWS), Chandigarh, recently presented two folding stretchers to Railway Station Chandigarh for carrying the injured persons in case of train accidents etc. Four Room Coolers were also presented to the Railway Primary School, Railway Colony, Chandigarh to provide relief to the small children from the scorching heat due to small and congested classrooms with low lying roofs.

The presentations were made during the General Body Meeting of RSCWS held on 21st April at Govt. Art Museum & Auditorium, Sector-10, Chandigarh, which was attended by nearly 100 senior citizens of the Tri-city. The Coolers were handed over to the School at its premises today (the 23rd April, 2018).

The Meeting called for drastic improvement in “health care facilities” for the nearly 7000 Railway Beneficiaries (including railway employees, Pensioners and their dependents) and immediate effective steps by the Railways to upgrade the building of the Railway Primary School Chandigarh by providing rooms, raising roof height and size of existing classrooms and improving other facilities.

The meeting was followed by a Medical seminar on “Heart Problems and their Management in old age” conducted by Dr. Arun Kochar, Cardiac Specialist from Fortis Hospital Mohali.

A cultural programme was also conducted in which senior members sang patriotic old songs.

Four octogenarians and two nonagenarian super senior citizens were honoured with Mementoes and Shawls (Robes of Honour).
