No. RSCWS/HO/CHD/ Memo RB / 2018-22 (Rev.)

Dated: 28-12-2018

Director General,
Railway Health Services,
Railway Board, Rail Bhawan, New Delhi - 1100001

Subject: Period of Validity of Referral & for approval in Emergency for Treatment in Empanelled Private Hospitals - Simplification of procedure for Referral Empanelled Private Hospitals

Reference: Ministry of Health & Family Welfare, GOI, OM No.Z15025/117/2017/DIR/CGHS/EHS dated 10-12-2018 (Copy attached)

1. Railway Medical Beneficiaries - especially the old age RELHS Optees - are put to a great hardship due to very short periods of validity given by the Authorised Medical Officers (AMO), for Referral or in cases of approval in Emergency for Treatment in Empanelled Private Hospitals.

2. The actual period required for treatment cannot be assessed by even the best of the specialists (except God). It may be much longer than that allowed by the AMO. This results in repeatedly rushing back of the family members of the patient to the AMO at the far off Divisional Hospital, instead of attending to the patient lying seriously sick in the Hospital.

3. a) There are many instances where the patients are in ICU / CCU or even on Ventilators or other Life-support systems in the Empanelled Hospital, while the old age spouse has to go to the Divisional Hospital to get extension of referral from Authorised Medical Officers (AMO) of Railways.

b) There have been instances, where the AMO refused to extend the approval or the Referral even when the patient was in a critical condition or on life saving system. At least in two cases the patients died within hours or a day in Chandigarh (UA) this year, since their families could not afford to pay the bills of the Hospitals, after the AMO of Railways refused to extend continuation of treatment there.

c) In one case, already diagnosed to be in second stage of Cancer by a Specialist in PGI and recommended for specialized treatment, the AMO referred her to a private empanelled hospital, after much pleading, to a private empanelled Hospital only for further diagnostics; and thereafter for ONE Chemotherapy at a time, forcing the patient and the old age spouse to go to the CMS for permission - traveling over a 100 kms by taxi, every time for each of the SIX doses of Chemo essentially required for her survival as per advice of the specialists.

4. Ministry of Health & Family Welfare, vide their orders dated 10-12-2018 cited above have prescribed a period for validity of Referral to empanelled private as 30 days for investigation and Consultation / multiple Consultation with specialists and 3 months for listed treatment procedure.

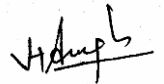

5. It is requested that the guidelines for CGHS issued by MOH&FW vide their letter cited above (copy attached), may please be considered for their application to the Railway Medical beneficiaries; And:

a) Suitable Guidelines may please be issued by the Railway Board - indicating the broad period of Validity of Referral for Treatment in Empanelled Private Hospitals – on similar lines as for CGHS.

b) Similar guidelines may also please be issued by the Railway Board regarding adequate validity of Approval for Treatment in Emergency in the Empanelled Private Hospitals.

With regards,

Yours faithfully,

(Harchandan Singh)
Secretary General, RSCW
