Office Memorandum

Subject: Transfer of the administrative management of empanelled hospitals under AB PMJAY for all Government of India (GoI) hospitals under various ministries from NHA to SHA.

References: D.O. letter S-12015/15/2019 dated 15th August 2020 and dated 15th Feb 2021.

1. With reference to the above cited subject and reference, the administrative management of empanelled hospitals under AB PMJAY for all Government of India (GoI) hospitals under various ministries is to be transferred from NHA to respective SHA for effective utilization of available resources in these facilities. Salient features of this arrangement are detailed under Annexure1.
2. Day to day operation related issues with these hospitals w.r.t AB PM-JAY will be handled by respective SHAs. This transition will streamline the processes related to delivery of services by GoI hospitals and ensure their optimal contribution in the scheme.
3. SHAs are expected to provide full support, including support through local units such as DIUs, for handholding and implementation, similar to the support provided to other public hospitals in the state.
4. In the view of above, all GoI hospitals will be transferred to States' category from backend in NHA's HEM and TMS platform latest by 30 days of issue this order. For the states which are using their own IT system, State may empanel hospitals into their system as a new category, whereas hospital's previous data on NHA IT system will continue with same hospital code and new data via API will be mapped to the same hospital code.
5. Issued with the approval of the competent authority.

Dr. Pankaj Kumar Arora

Director
National Health Authority

Enclosures:

1. List of hospitals to be transferred to states is attached for reference in Annexure 2.
2. List of hospitals already transferred to states is attached for reference in Annexure 3.
3. List of Hospitals in Non PMJAY implementing states which will be under NHA's administration is attached for reference in Annexure 4.

To,

1. Principal Secretary/ Secretary (Health) of all States/UTs implementing AB PM-JAY
2. Secretaries of Ministries implementing AB PM-JAY
 - a. Ministry of Labour and Employment (ESIC)
 - b. Ministry of Coal
 - c. Ministry of Defence
 - d. Ministry of Heavy Industries and Public Enterprises
 - e. Ministry of Home affairs
 - f. Ministry of Mines
 - g. Ministry of Petroleum and Natural Gas
 - h. Ministry of Power
 - i. Ministry of Railways
 - j. Ministry of Shipping (Port Hospital)
 - k. Ministry of Steel
3. Chief Executive Officer, State Health Agency/State Nodal Agency of all States/UTs implementing PM-JAY
4. All empanelled Government of India Hospitals under above ministries
5. All Division heads, National Health Authority for kind information

A handwritten signature in black ink, appearing to read "P. Venkayya".

Annexure 1

The salient features of this arrangement are as follows:

1. GoI hospitals will be merged into state hospitals and administrative control of the scheme in hospitals will be transferred from NHA to respective SHA. An additional category "Public-GoI hospital" to be made in NHA's HEM and TMS system for identification.
2. The GoI Hospitals are currently following national package master. Upon the change in the administrative control of the scheme in hospitals from NHA to SHA, the HBP of the respective States shall be applied to the hospitals along with the incentive structure.
3. Since State Government is not providing any financial support to GoI hospitals. Therefore, the provision of 'revolving funds' for ploughing back the claim payment reimbursed to the public hospitals will not apply to the GoI Hospitals. An additional category "Public-GoI hospital" will help address this feature also.
4. Respective SHAs shall provide all necessary support at par with the support provided to the empanelled public hospitals in the State.
5. For the states which are using their own IT system, state will add the hospital into their system as a new entity, whereas hospital's previous data on NHA IT system will continue with same hospital code and new data via API will be mapped to the same hospital code
6. The cost of IEC, PMAMs will be borne by the respective hospital and will also manage their own IT infra requirement
7. Hospitals in Non-PMJAY implementing states as on date will continue with NHA's administrative control.
