1. Secretary Finance (Expenditure), North Block, New Delhi – 110
2. Secretary, Department of Public Grievances, Adm. Reforms & Pensions, 5<sup>th</sup> Floor, Patel Bhavan, Parliament Street, New Delhi – 110001

Dear Sir,

**Sub: Increase in the rate of Additional Pension and Family Pension to the old pensioners.**

**Ref:** 1. Recommendations of 110<sup>th</sup> report of Parliamentary Standing Committee on “Pensioner’s Grievances-Impact of Pension Adalats and Centralized Pensioners Grievance Redress and Monitoring System (CPENGRAMS)”

1. We seek your kind intervention to consider and revise **the rate of Additional Pension and Family Pension to the old pensioners** as per the recommendations of 110<sup>th</sup> report of Parliamentary Standing Committee on “Pensioner’s Grievances-Impact of Pension Adalats and Centralized Pensioners Grievance Redress and Monitoring System (CPENGRAMS)”
2. In para 3.28 of 110<sup>th</sup> report of the said Committee on “Pensioner’s Grievances-Impact of Pension Adalats and Centralized Pensioners Grievance Redress and Monitoring System (CPENGRAMS)”, it was recommended that, “.... **The Committee is of the view that the Government should sympathetically consider the demand of Pensioners’ Associations for 5% additional quantum of Pension on attaining the age of 65 years, 10% on 70 years, 15% on 75 years and 20% on 80 years to the Pensioners.** The Committee recommends DoPPW to pursue vigorously with Finance Ministry and apprise the Committee of the outcome”.

## Additional Quantum of Pension

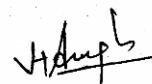

On attaining age of	Additional quantum of pension	
65 years	5% of basic pension	Additional quantum of pension Recommended by the committee
70 years	10% of basic pension	
75 years	15% of basic pension	
80 years	20% of basic pension	Existing additional quantum of pension
85 years	30% of basic pension	
90 years	40% of basic pension	
95 years	50% of basic pension	
100 years	100% of basic pension	

3. Sixth Pay Commission had recommended additional Pension of 20, 30, 40, 50 and 100 % for retirees and family pensioners on attaining the age of 80, 85, 90, 95 and 100 years respectively. But this did not meet with the requirements of those in the age group of 65 to 80 years of age for meeting additional expenses on old age diseases and disabilities and other unforeseen exigencies, which further increase

even faster in later years. *Recommendation of Sixth Pay Commission for grant of 100% additional Pension after 100 years of age was illusory and unjust in view of rare chances of survival up to or beyond 100 years of age.* 7<sup>th</sup> CPC has also not changed these conditions.

4. 7<sup>th</sup> CPC in para 10.1.11 observed that of the total 51.96 lakh pensioners, 37 percent are in the 60-70 age group, about 26 percent each are in the 70-80 and 'Other age group. The balance 11 percent are in the 80 plus category and thus entitled to enhanced pension based on advancing age. 7<sup>th</sup> CPC recommended for continuing existing rates of additional pension and additional family pension.
5. Granting additional pension / additional family pension from above age of 80 years only covers 11% of old age pensioners and family pensioners. Pensioners / family pensioners from the age of 65 years incur heavy medical expenses due to their health conditions, high expenses for medical treatments and medicines, etc.
6. **Hence it is requested that, Additional Pension / Family Pension may please be paid at following rates - in view of steep increase in the expenditure on Medical treatment and health care in old age and as recommended by the committee**
  - a) **5% additional Pension/Family Pension on attaining 65 years of age**
  - b) **10% Additional Pension/Family Pension on attaining 70 years of age**
  - c) **15 % additional Pension/Family Pension on attaining 75 years of age**

Yours' faithfully,

**(Harchandan Singh),  
Secretary General, RSCWS**
