FOREWORD

We are happy to present the fifth edition of the RSCWS Directory. The last one published in June, 2015, had become very popular due to its added features and attractive presentation. We have tried to further improve upon the same by adding some more features. We hope that the Members will like it – even as we look forward for their feedback and suggestions to further improve upon it and to make it more reader friendly.

Brotherhood of Railway Pensioners joining the RSCWS has expanded since its inception in 1991 - not only in and around the Tri-city of Chandigarh, Panchkula and Mohali, but has now spread to various other parts of the country. Members actively Participate in the Quarterly Meetings and Medical Seminars while happily inter-acting with their old friends and colleagues of their by-gone days as well as the newly found comrades so as to be constantly “In touch with Past, Present and Future” with the forward looking approach of the RSCWS.

The quarterly journal “*Pensioners Rail Sampark*” and the Website of RSCWS <http://rscws.com> keep the Members well-informed and updated on the related issues of Pensioners. Facebook & WhatsApp Groups of RSCWS provide additional medias for inter-action between the Members. Social Welfare Fund has also been created which provides aid to the poor, needy and the destitute through various NGOs.

Health Care of Members has always been a prime concern of RSCWS. While we could get only a “Lock up” Dispensary for Railway Beneficiaries in around 1995-96, it had recently been upgraded to Health Unit and housed in a new Building. However, efforts are on for providing proper facilities therein with full time permanent Doctor. However, some relief has come this year by empanelment of 5 Specialised private Hospitals and 5 Diagnostic centres by Railways for “Cashless” treatment of Railway Beneficiaries in Emergency & on reference by CMS Ambala. Fortis Hospital, Mohali is also empanelled with RSCWS and provides treatment to Members of RSCWS on CGHS rates and discount on in-house diagnostics on production of Membership Card of RSCWS.

We wish the best of health & spirit to all our Members & all our associates and other well-wishers.
